

Greater Giving in 2023

We can all afford to be generous, to make the world a little kinder, and brighter for others. It might be with a smile to a stranger, or by paying our generosity forward. CHCS offers four options for sharing your treasure to help ensure patient comfort and the future of local healthcare for our communities.

Mark your choices below to join our community of support!

Gift-giving suggestion: Consider the value of one hour's pay per pay period or per month. Your gift is your choice and our blessing. CHCS and the CCF are both 501(c)(3) organizations and these donations are tax deductible. **Thank you!**

Endowment: A gift to local healthcare that lasts forever.

Pledge \$5,000 within 5 years and have your name engraved on the CHCS Donor Wall.
