

We offer interpreter services!

In-person Spanish interpretation is available at our Holton Clinic.

Spanish-speaking patients can find help communicating with healthcare providers from 8:30 a.m. to 5:00 p.m. Monday through Friday at the Community HealthCare System Holton Clinic at 1603 W. 4th St.

Call us at 785-364-3205 for help. Our interpreter can also assist families who are delivering a new baby at the Onaga Community Hospital Birth Center!

Meet our interpreter

Teresa Miller grew up in Topeka and started speaking Spanish when she was about 10 years old so she could communicate with family members. She previously worked in the Onaga Hospital Dietary Department and began interpreting when a mom who was delivering a baby needed a translator.
